DRAFT RESPONSE TO JONI

Hi Joni-

Thanks for your email. In regards to the classrooms being cleared, it is our understanding that a few rooms still remain closed (Room 303 of the Music Building, and Room 506 of Building G). This is based on the latest information we received from the district: <http://www.smmusd.org/PublicNotices/Malibu.html>

As for the soil component of PCBs, the State's Department of Toxic Substances Control (DTSC) is the lead on this manner. Maria Gillette (Maria.Gillette@dtsc.ca.gov) should be able to provide you with the most up-to-date status.

Thanks,

Kelly

Hi Kelly,

Can you please confirm that all rooms have been cleared at Malibu Middle School... including the Orchestra room ... Wood Shop and Special Ed ... and all dirt/grass areas.

Thank You.

Very Sincerely,
